Remarks:

For schools were only 0-2 students exchanged in recent semesters, averages were used in calculations to ensure individual student's CGA privacy:

- Year Average – Average CGA of Fall or Spring or both semesters of 2018/19.
- Past Average – Average CGA from either 2016/17 and / or 2017/18 and / or other years.
- New and / or Existing Partner – Average CGA of B or B- is set for relatively new or existing partners where none or only a few students have been exchanged.
