EXCHANGE POLICY REMINDER

» **Scoring** on any particular applicant is **confidential** and will not be disclosed to students.

» Students will only be allocated universities within their list of choices, except in the Clearing Round.

» Once the exchange result is released, **no changes will be considered** at the request of a student.

» The **host university has final authority** on accepting students. Rejected nominations will not be placed at another university.

» SBM reserved the right for final selection of students and **can rescind exchange offers**.

» Students **cannot contact host universities during the application/selection process**.

» When circumstances arise that compromise an exchange program, HKUST may make the decision to suspend a program. This could occur before the start or during the program. Students must abide by the advising/instructions set forth from HKUST.
Students must attend the **ORIENTATION** organized by the host institution. Students who skip the orientation will be immediately **withdrawn** from exchange.

Students with misconduct or other sanctions at the time of application are not eligible to apply for SBM regular exchange in the affected semester(s). **Only students meeting the CGA requirement with no misconduct or other sanctions, who have officially applied for exchange or students who have exchange specified in their programs, will be short-listed for interviews.**

Cannot join any virtual study program concurrently during exchange semester or during study leave.

Read carefully: **General Exchange Guidelines** [link]
» While the world is resuming after the pandemic, there may be some situations where COVID-19 continues to impact global mobility and changes can occur rapidly. Therefore, HKUST’s mobility programs are subject to changes based on prevailing global/local health and travel advisories. In addition, participating students are required to abide by University’s decisions. We appreciate students’ patience and understanding under the current situation.

» The University is requiring mandatory completion of a full dose of COVID-19 vaccination and meeting the requirements of the HKSAR Vaccine Pass for participation in the outbound exchange program.
